Continuation of 10. Other (including any explanation in support of the above items):

The Appellant is thanked for the Appeal Brief filed 28 January 2008. However, a non-compliant matter has been discovered in the aforementioned response, requiring attention before examination may continue.

37 C.F.R. § 41.37(c)(1)(ix) requires, "An appendix containing copies of any evidence submitted pursuant to §§ 1.130, 1.131, or 1.132 of this title or of any other evidence entered by the examiner and relied upon by appellant in the appeal, along with a statement setting forth where in the record that evidence was entered in the record by the examiner. Reference to unentered evidence is not permitted in the brief. See § 41.33 for treatment of evidence submitted after appeal. This appendix may also include copies of the evidence relied upon by the examiner as to grounds of rejection to be reviewed on appeal."

The Appeal Brief filed 28 January 2008 improperly neglects to provide copies of evidence relied upon by Appellant in the appeal (e.g., see at least Page 19 of the Appeal Brief filed 28 January 2008).

The Appellant is respectfully encouraged to provide copies of evidence relied upon in the appeal, as required by 37 C.F.R. § 41.37.

Additionally, MPEP § 1205.02 requires, "An appendix containing copies of decisions rendered by a court or the Board in any proceeding identified pursuant to 37 CFR 41.37(c)(1)(ii). The appendix should start on a new page. If there are no such copies of decisions being submitted in the appeal, then a related proceedings appendix should be included with the indication 'none.'"

The Appeal Brief filed 28 January 2008 improperly neglects to provide the 'Related Proceedings Appendix' on a new page (e.g., see at least Page 19 of the Appeal Brief filed 28 January 2008).

The Appellant is respectfully encouraged to provide the 'Related Proceedings Appendix' on a new page, as required by 37 C.F.R. § 41.37 and MPEP § 1205.02.

By such reasoning, this Notification of Non-Compliant Appeal Brief is deemed necessary and proper at this time.

Please note: The Appeal Brief has not been checked to the extent necessary to determine the presence of all possible non-compliance errors. If additional issues of non-compliance are discovered at the time of a subsequent Appeal Brief, yet another Notification of Non-Compliant Appeal Brief will be necessitated. Appellant's cooperation is requested in correcting any other errors of which Appellant may become aware.
